SENIOR DESIGN LEADER

RE: SWEATER DESIGN DIRECTOR - CONTEMPORARY MARKET  
Brilliant Group/ Cobalt Fashion

May 12th , 2026

Dear Hiring Manager,

As a Senior Design Leader with 18 years of expertise in Women's Contemporary fully fashioned sweaters, I am uniquely positioned to drive the creative and commercial success of Brilliant Group's knitwear division. My career is defined by a "design-to-value" philosophy that balances high-level trend innovation with rigorous technical execution. I bring a proven track record of scaling brands and optimizing global supply chains, with key career highlights including:

**Strategic Brand Growth:** Spearheaded the revitalization of the 'On 34th' brand, architecting a vision for 300+ annual styles and delivering a premium 100% cashmere initiative.

**Technical Mastery:** Expert in stitch engineering and yarn R&D, delivering luxury hand-feel while hitting aggressive contemporary price-point targets.

**Operational Excellence:** Optimized global vendor partnerships to reduce product cycles by 15% and sampling costs by 20% through high-precision technical specifications.

**Global Trend Intelligence:** Adept at translating global market insights into commercially viable, trend-right assortments for high-growth demographics.

**Collaborative Leadership:** Experienced in mentoring multi-disciplinary teams and presenting high-impact seasonal decks to merchants and buying stakeholders.

I am a hands-on leader who thrives in fast-paced, hybrid environments. I am confident that my technical knitwear proficiency and ability to drive cross-functional alignment across executive teams and global vendors make me an ideal fit for Brilliant Group. Thank you for your time and consideration. I look forward to discussing how I can contribute to your team's continued innovation and success.

Best Regards,

Marina Ervits

## SENIOR DESIGN LEADER

917-886-1262

marinaervits@gmail.com

1032 Abbott Blvd, Fort Lee, NJ

## PROFILE

Strategic Design Leader with 18 years of expertise specializing in Women's Contemporary fully fashioned sweaters. Proven track record of leading high-performing teams to deliver trend-forward, commercially successful collections for major retail partners. Expert in yarn R&D, advanced stitch engineering, and cost-to-value optimization. Adept at navigating global markets (US, Europe, Asia) to translate high-level trends into scalable, market-right assortments.

## SKILLS

### CORE EXPERTISE & TECHNICAL MASTERY

- **Fully Fashioned Knitwear Specialist:** Expert in Gauge, Stitch, and Yarn Development
- **Cost Engineering:** Balancing design integrity with price-point targets and design-to-value optimization.
- **Technical Construction:** Expert Spec Management and high-precision Tech Pack development

### STRATEGIC LEADERSHIP & OPERATIONS

- **Brand Revitalization & Scalability:** Architecting vision for large-scale commercial labels and managing high-volume assortments.
- **Operational Excellence:** Optimizing end-to-end lifecycles to increase speed-to-market and reduce sampling costs.
- **Cross-Functional Influence:** Driving alignment across Executive teams, Merchandising, PD, and Technical Design.

## EXPERIENCE

### SENIOR DESIGN LEADER- RTW (KNITWEAR)

Macy's Inc | April 2015 - present

- Architect the vision for 300+ annual styles, leading the revitalization of the 'On 34th' brand to achieve significant commercial scale and market-share growth.
- Spearhead the 'On 34th' Premium Cashmere launch; directed end-to-end design and cost engineering for 100% cashmere programs, optimizing 7GG and 12GG stitch architecture to deliver luxury hand-feel while hitting aggressive price-point targets.
- Orchestrate technical execution for fully fashioned knitwear; developed exclusive yarns and innovative stitch structures while managing comprehensive tech packs to ensure design integrity from concept through production.
- Spearhead end-to-end line development and cohesive storytelling across multiple monthly drops, from initial concept through production delivery.
- Translate market insights into actionable product roadmaps for 4 annual deliveries, navigating fast-paced production calendars to align creative vision with business priorities.
- Execute monthly trend analysis and global market research to identify emerging silhouettes and yarns, leveraging contemporary expertise to capture trend-right relevance for high-growth demographics.
- Optimize global vendor partnerships and upfront specifications to reduce product cycles by 15% (from 52 to 45 weeks) and slash sampling costs by 20%, while maintaining rigorous quality standards across the global supply chain.
- Leverage merchant and buying insights to drive alignment with sales objectives; presented high-impact seasonal decks to stakeholders to ensure the delivery of commercially successful collections.
- Lead and manage a multi-disciplinary design team, fostering a culture of innovation to successfully scale the 'On 34th' brand.

## STRATEGIC LEADERSHIP & OPERATIONS

- **Global Vendor Stewardship:** Strategic management and orchestration of global vendor partnerships to ensure production integrity.
- **Team Leadership & Mentorship:** Developing high-performance design teams through active mentorship and professional growth.

## DIGITAL PROFICIENCY

- **Design Tools:** Adobe Creative Suite (Photoshop, Illustrator), Canva
- **Systems:** PLM, Excel, and AI-Integrated Workflows
- **Collaboration:** Expert in digital storyboarding and remote cross-functional team platforms.

## CREDENTIALS

- **Guest Judge:** Future of Fashion/ Macy's Empowered Design Award – Fashion Institute of Technology

## EDUCATION

### BACHELORS OF FINE ARTS (BFA) IN FASHION DESIGN

Fashion Institute of Technology (FIT)  
New York, NY

Specialization: Knitwear

## EXPERIENCE

### KNITWEAR DESIGNER

**Kohls** | August 2012 - March 2015

- Directed the end-to-end seasonal development of high-volume knit and sweater assortments across 4 annual deliveries, leveraging value engineering and yarn optimization to deliver brand-right, commercially successful collections.
- Managed critical path timelines and multi-tier seasonal workflows, successfully balancing concurrent deliverables to meet all key milestones for 2 key classifications.
- Spearheaded proprietary yarn and trim sourcing, managing the R&D process from initial fiber selection through final sample approvals with 4 global vendors.
- Partnered with Merchandising and Technical Design to align creative vision with business goals, ensuring technical feasibility and consistent quality standards.
- Mentored 2 junior designers, providing hands-on coaching to strengthen technical execution and increase overall team productivity.

### DESIGNER

**Milly LLC** | May 2011 - August 2012

- Partnered with the Creative Director to translate seasonal trends into original sketches and elevated mood boards for two runway collections annually.
- Drove knitwear innovation by sourcing premium materials from Italian and Asian mills, developing luxury-quality structures for 75 styles per season.
- Led high-level fittings and managed factory communications for three global vendors to ensure runway-standard construction from prototype to final production.

### DESIGNER

**Sinclair 10 -Saks Fifth Avenue** | December 2008 - May 2011

- Assisted in the successful launch of the brand, engineering comprehensive tech packs and intricate stitch details for Saks Fifth Avenue multi-category knitwear.
- Managed lab dip approvals and global factory corrections to ensure rigorous color and fit consistency from initial concept through final production.
